Re: 78-80 St Marks Place, LLC

Case No. 21-12139-mg

Dear Judge Glenn :

I am asking your graciousness understanding to accept Defendants' responses to Plaintiff's Summary Judgment which were filed after your 5:00 pm deadline. I began trying to upload the documents at approximately 4 : 00 p. m and I could not get past the Pacer log in although I kept trying. I asked a friend of mine who is good with computers to look at it also. I wasn't able to get through the Pacer entry until at until 9:00 p.m. and then couldn't get past the redaction screen. I was finally able to. I do not take the deadlines lightly but there were technical problems that I could not fix myself and kept trying until they fixed themselves.

Respectfully,

Eugenie Gilmore
